Rev. Dr. Kathryn Love

Rev. Dr. Kathryn Love serves on staff at the Churchwide office in Chicago as Assistant Director for Evangelism, and Director for Prayer and Renewal. She received a Bachelor of Science at Chicago State University, a Master of Divinity from Chicago Theological Seminary and a Doctor of Ministry degree from United Theological Seminary at Dayton, Ohio. Before coming to the ELCA office in Chicago, she served as an Associate Pastor in Ohio and senior pastor in Mobile, Alabama.

Dr. Love is a well-prepared evangelist seeking people already equipped, as well as people who are willing to train and work for the building of the kingdom of God. She is an energetic speaker who is unapologetically influenced by members willing to “Make Christ Known for the Healing of the World.”

Dr. Love’s metaphor is one of a bridge builder who seeks spiritual renewal and discipleship. Her goal is to reach the church laity with the messages of evangelism and prayer while bridging the gap between church and community. She will continue to give form to the model of evangelizing, which calls all to prayer and discipleship.

During our time together we will open God's word to understand more clearly and deeply prayer ministry, in the hope that it will cause us to become fully engaged in equipping others as a result of our growth and renewed understanding.

We will examine Objective 1-3 of the Evangelism Strategy, which calls the church to prayer, leadership and discipleship. We will explore ways in which we may begin to share our faith stories with others. We trust that you will depart refreshed in your walk with Christ and having a new zeal and vision for your various ministries.

Before and after hearing from Dr. Love we will sing both new and old favorite hymns, led by Julie Long. Join us for a time of singing, learning and prayer.

Discount: Pay full price and bring a friend for free.

*For lay persons, LPA's, AIM's, and retired clergy only. Mention the discount when registering. Discount not available when registering the day of the event.
