

Sabbath Reflections

“Remember the Sabbath, and keep it holy.”

Sabbath is not just a day, it is a way of life. Sometimes pastors are better at preaching Sabbath than doing it.

This 4.5 hour event the week before Holy Week is an opportunity for pastors and lay leaders to examine and experience a bit of Sabbath.

Pastor Dick Bruesehoff, Director of Leadership Support for the ELCA's Vocation and Education Unit, and Alban consultant, will present “Sabbath Reflections: Woven Together in Love.” Following a light lunch, Bishop Jessica Crist will share the Word and Sacrament with the group.

May you be strengthened in your ministry, and sustained for the journey!

Sabbath Reflections

“Woven Together in Love.”

God has woven an incredible world. Woven into the very fabric of light and darkness, water, land, plants, animals and people is a rhythm of rest and renewal. But this fabric, the fabric that includes our lives and ministries gets snagged and torn.

During this Sabbath Reflections retreat, we'll explore two pieces of art that can open us to God's continued weaving. We'll take the opportunity together to rest in the love in which we are created, by which we live and through which we practice our ministries.

This half-day event will provide an opportunity for Sabbath renewal. We'll worship, learn, eat and converse together. Come and join us.
